

# Your CORNY Passport Through

We know it can be kind of tough to find your way through The MAiZE—it's designed to be that way. This passport can help guide wandering maze goers—depending on how much you know about agriculture and our favorite corny crop—through the correct pathway. When you come to a numbered sign inside the maze, stop and answer the corresponding question on this passport. While facing the sign, turn the direction of the answer you choose.

1

A kernel of corn contains mostly?

- a. sugar (turn right)
- b. water (turn left)
